

MD. HABIBUL BASHAR

Physics Student, Graphic Designer.

 mdhabibulbashar05@gmail.com

Career Objective

Physics student at the University of Rajshahi with professional experience in graphic design, having delivered 200+ projects for clients worldwide. Skilled in Adobe Illustrator and Photoshop, with expertise in minimalist branding, social media creatives, and marketing visuals. Strong analytical and problem-solving abilities developed through academic training in physics, combined with a passion for creating impactful visual communication. Seeking opportunities to contribute creative solutions while continuing to grow as a designer.
